We would like to extend a warm welcome to all our families joining us for this academic year.

The children have done really well this week, they have spent time getting to know their key person, exploring their environment, making friends, learning our routines, and of course having plenty of FUN.

We would also like to say it was lovely to see so many of you at the Meet & Greet and we hope you found this a useful time to introduce your child to the setting in a way where you could support them.
