

# Kings Stanley Playgroup Weekly News

15/9/2023 [kingsstanleypg@gmail.com](mailto:kingsstanleypg@gmail.com) 07377127820

We are so proud, the children have settled in really well and we have seen some lovely interactions during both indoor and outside play, and some wonderful demonstrations of imagination through role play. This week the children have enjoyed exploring using their senses - we have had sand and shaving foam, kinetic sand, and mark making in flour. We have especially enjoyed spending time in the sensory garden and using the newly donated playhouse, as well as some cloud watching, the children had fun trying to find different shapes in the clouds. Our Pre-school children have begun their PE and Phonics sessions.

### Dates to remember:

Wednesday 6<sup>th</sup> September
