Another fun and busy week. The children are all enjoying their time with us, and despite the changeable weather we have spent a lot of time outside using the scooters, bikes, and Little Tikes Cozy Coupe cars. We have enjoyed the bubble machine, especially when the wind blew then in all directions.

The children have especially enjoyed looking at the photo's of themselves as babies and have spent time talking to their key person about this. We have also created Plate Portraits with children looking in a mirror to help identify their facial features. The children have explored conkers and made up their own game of rolling these down some tubes to see which ones went the fastest.
