

# Kings Stanley Playgroup Weekly News

This week we have had lots of fun exploring, investigating, and playing, especially outside. We have spent time looking for fossils and treasure in the construction and sand area. We enjoyed cooking in the mud kitchen where children said they were making "Strawberry pies", "chocolate cake" and "cookies". We use the reels to build some tall towers and talked about the difference between the tower and ourselves. As part of our maths champions programme, we explored speed and distance by rolling a variety of cars down the tubes which the children enjoyed so much they continued this play themselves. Our phonics this week is based around Pets, so Karen kindly brought her baby rabbit in for the children to see and stroke - thank you Karen.
