This week our topic has been 'making Friends', we have seen some wonderful friendships being made. Our Pre-school children especially enjoy helping their younger peers. We have also seen some lovely acts of kindness, sharing and turn taking.....well done to you all.

Despite the unpredictable weather, we have still managed to get outside a lot this week, which has also supported sharing for example with the scooters and cars. The children enjoyed exploring the leaves with the play dough, and we had a number of birthday cakes made, using straws as candles - great thinking. And as you can see below we spent time digging for Treasure.
