

Kings Stanley Playgroup Weekly News

20/10/2023 kingsstanleypg@gmail.com 07377127820

This week the children chose to continue their exploration and play with the conkers, and to extend this we added the wild animals which the children really enjoyed. We had some Pumpkins given to us (BIG thanks to the Pullins for providing these) where the children have spent time hammering in some golf tees, we also cut the pumpkins up so the children could explore the inside and they have helped collect the seeds so we can have a go at growing our own...watch this space! We have also used the pumpkins to make prints with paint - a fantastic resource all round. We have also enjoyed outside play (in-between the rain!) and particularly enjoyed building structures with the large wooden blocks.
