Well, here we are at the end of a very long term and all looking forward to the half term break. This week the pre-school children have completed our first My Happy Mind module - The Brain - by creating their very own Brain Hat, which they all enjoyed making and wearing. We had a collection of leaves which we have used to create an Autumn picture - why not have a go at doing this at home over the half term? The children really enjoyed painting the pumpkins to add to our Halloween Trail display - why not have a look when you come to the trail tomorrow (Saturday 28<sup>th</sup> 10-2). Wishing you all a very happy restful half term, see you in a week.
