The children have enjoyed our topic of 'Hey Diddle, Diddle' this week and we extended their learning to incorporate space. Our sensory play has included black playdough with glitter (to represent the stars) moon dust, Shaving foam clouds, and the farmyard with cereals to represent the different textures found in the fields. We also made rockets and flew them in space! The children took part in big group painting, lots of outside play and they particularly enjoyed taking part in a physical activity of jumping beans (trying to jump as high as the cow!) There has also been some fantastic number recognition and sequencing completed this week
