Welcome back to term 4, we hope you had a great half term break.

In our PE sessions this week we have pretended to be Giants and Elves, we discussed how we thought they would move, then had a go ourselves - 'Stamping feet' for the giants and 'tippy toes' for the elves.

For our Maths Champions we have learnt about distance and measure. We jumped as far as we could, then used blocks to measure this distance. This also helped us to compare distance.

My Happy Mind - we talked about how we can show we are listening and linked this to other times of the day.

We have spent time creating people with the play dough using 'Mr Potato Head' resources, with some funny results.

Despite the vast amount of rain this week, we have still managed to spend time outside and particularly enjoyed exploring cause and effect though jumping in the puddles, which they all enjoyed!

We have drawn and painted pictures of ourselves and we also designed a pair of shoes.

Sensory play this week has included, sand, water, shaving foam, Gloop and ice
