We have really enjoyed our topic of Minibeasts this week - we even learnt some Makaton signs. We have used string and paint to create a worm picture. Pre-school children made a caterpillar and butterfly peg puppet. We have used the magnifying glasses to help us look closely at the mini beasts. We even had a wormery with real worms! The children were fascinated to see the trails left in the soil from where the worms had moved around. Some children chose to create their own caterpillar by drawing lots of circles in a line. We also enjoyed singing along to some minibeasts rhymes - Incy Wincy Spider, There's a Worm at the Bottom of my Garden, plus others, and we loved dancing along to the wiggly woo song - great job everyone.

For Maths Champion this week we have focused on subitising up to 5 - recognising how many without the need to count.

For My Happy Mind we have used our ears to identify what we can hear.

In addition, we have spent time outside where we particularly enjoyed splashing in the puddles!
