Welcome to the last update of this term. This week the children have been learning about African animals - this linked with our topic in the Autumn term when Felix went to Africa and the children remembered a lot they had already learnt - well done. We have spent time exploring African animals and the places they live - Karen even showed us some pictures of her with a real lion! We used the Tapits to try and make some animals, had a go at painting and drawing them and in PE we enjoyed moving like African animals - can you guess which animal we are being in the photo below?

For Maths Champion this week we have been we have been counting actions - which linked nicely to our Sponsored Bunny Hops.

For My Happy Mind we have been making Friendships recipes - the ingredients being what makes a good friend - and the children came up with some really lovely ideas - well done.

All the children took part in our Sponsored Bunny Hop - counting how many hops they could do in 30 seconds - Great job everyone.

We have also made Easter cards and Chocolate nest cakes - yummy.
